Washington State Magazine's combination of journalistic excellence and engaged readership offers exceptional advertising value as a regional university magazine.

Washington State Magazine is the window on Washington State University—around the state and around the world—for more than 150,000 well-educated, multinational readers.

We tell Washington State’s stories. No matter what the issue of the day, it becomes our story, through the eyes and work of our people. We are serious about giving our readers the best possible reporting on science and academe. But we also like humor and sports, good food and wine, great photography and thoughtful essays. We tell the stories of our readers themselves, our alumni, through lively profiles.

We are Washington State’s magazine. We are about people and place, about great ideas and the good things in life, about doing good in and making sense of a fascinating world.
